Strahinjčica route (L= 10 km) and "Dedek i Babica" (grandpa and grandma) trail (L=2.40 km)

1. Start point at the roundabout, in front of the Nature Center "Zagorje". We head towards north, down the asphalted road
2. 1.10 km - Y crossing. We turn left to macadam
3. 2.05 km - arrival to the crossing, start point of the path leading to the „Dedek i Babica“ trail (path length 2.40 km) - for the "Debek i Babica" trail we must turn right, going down the macadam. 3.1. Upon arrival to the crossing near the houses, we turn right and continue down the forest path. 3.2. After 1.0 km from the beginning of the "Dedek i Babica" trail, we reach the crossing of a forest path and a trail. There we must turn sharply to the left to the hiking trail, where from - following the ridge - we reach the "Dedek i Babica" peak (562 MASL). Then we head back to the previous crossing where we turn left to the forest path. There are around 700 m from the crossing to the main trail towards the Mountain lodge Strahinjčica.
4. We continue down the macadam
5. 2.60 km - crossing of the paths, before the crucifix. We turn sharply to the right (towards north) and walk down the macadam
6. 3.10 km - crossing of the paths and the trail. Here we turn left into the woods to the hiking trail and continue down the said trail, following the hiking signs
7. 3.50 km - we reach the forest path, keep walking to the right and down the narrow hiking trail we continue up the hill (following the hiking signs). After 50-odd meters, we reach the forest path. Following that path, we arrive to the Mountain lodge Strahinjčica (618 MASL; 4.30 km from the start point)
8. From the Mountain lodge Strahinjčica we head towards northeast and turn right at the Y crossing to a narrower forest path. We continue down the said path, following the hiking signs
9. 5.00 km - the rock Dedek (712 MASL), arrival to the place with a gorgeous view of Radoboj and Medvednica. From there we continue down the hiking trail
10. 6.00 km - the peak of Sušec (846 MASL), the highest point of the route. From there we continue by following the hiking trails
11. 7.65 km - crossing of Prevaja
- the path leads us to the peak of Sekolje (738,5 MASL) at Hajdino zerno, until which we must cross 600 m. From the peak of Sekolje we continue down the hiking trail leading us to the meadow in Poljane, where we reach the Orchid trail. If we turn sharply to the right, we follow macadam leading us to the meadow in Poljane where we reach the Orchid trail.
Then we continue following the signs of the Orchid trail that leads us to the end point in the Radoboj downtown.
